Informed Consent for Genetic Testing

I understand that genetic testing for me and my baby and the father of the baby is available, but is not routinely done unless specifically requested and discussed. This includes but is not limited to Down Syndrome, Cystic Fibrosis, and Sickle Cell Anemia. If there are genetic diseases or syndromes that run in my family or that I want testing for, I will bring this up with Dr. Groves. I understand ultrasound is a basic screening test for fetal anatomy but it is not a good test for many genetic abnormalities.

Appointment Cancellation / No Show Policy: We make every effort to provide a reminder of your upcoming appointment; however, it is your responsibility to remember your appointment & cancel or change, if needed. Please call the office at least **THE DAY BEFORE YOUR SCHEDULED APPOINTMENT** to reschedule. **IT IS ACCEPTABLE TO LEAVE A VOICE MESSAGE IF IT IS OUTSIDE NORMAL OFFICE HOURS.** We reserve the right to charge a fee for the missed appointment of \$25.00 to patients who do not show up to a scheduled appointment or who cancel under 24 hours of their appointment. This allows our office to offer the appointment time to other patients needing care. This fee is your responsibility as insurance will not cover this assessment and must be paid prior to scheduling additional appointments and/or refilling prescriptions.

Late Policy: We are committed to prompt service and will work very hard, barring emergencies, to stay on time. Admittedly, this can be difficult in an obstetric/surgery practice. We value your time. **We may ask you to reschedule if you arrive for your appointment more than 15 minutes after your scheduled appointment.** Always arrive at least 10 minutes prior to appointment time to complete any necessary paperwork.

Non-Sufficient Funds Fee: There will be a \$25.00 fee for any returned checks. This will be applied to your account and you will be placed on a cash or credit card only basis for future payments.

Delinquent Accounts: We reserve the right to refer any delinquent account(s) to a collection agency and report them to credit bureau.

Completion of Forms Fee: \$15.00 for dictated letters; \$25.00 for the completion of all forms.

Participating Insurances: We participate with most insurance companies. Copays or deductibles are DUE AT THE TIME OF SERVICE. Our office accepts Medicaid for pregnancy only.
Non-participating insurances and self pay patients: Payment in FULL is required at the time of service for any gynecological care; an optional payment plan will be designed for obstetrical care for self pay patients. We require a current copy of your insurance coverage and government issued I.D. All new patients must complete our patient information before services are rendered.

I understand and agree that the health insurance coverage is an agreement between the insurance company and the patient. However, patient acknowledges that it is the responsibility of the patient to
_____ **understand coverage and participation of providers patient chooses**
_____ **understand that some policies have exclusions of some injections and certain diagnosis codes (ie infertility) In the event insurance company deems an injection/visit not covered, the patient will be responsible for payment.**
_____ **reconcile payments made to our office against explanation of benefits from health insurance policy. In the event an overpayment is suspected, please call our office for refund request.**
_____ **For all Medicaid OB patients, once the patient delivers and is out of the 8 week postpartum period, you will be considered cash pay for all visits.**

Lab Results: I understand that it is my responsibility to call and check on any results regarding any test(s) performed. Dr. Groves or staff will make an effort to contact patients with results. Ultimately, it is the responsibility of the patient to obtain results from the office.

We reserve the right to terminate treatment to any patient with three or more missed appointments or same day cancellations.

Insurance Notice

As a courtesy to you, our patient, we are happy to file either private insurance or Medicaid (Louisiana Health Care connections) for your pregnancy. Due to insurance requirements and differences we are unable to file both private and Medicaid. If you do have two insurances, Medicaid by standard is always secondary. In this instance we would file private insurance for charges from our practice and you could use both insurances if accepted at the time for hospital and other care. If you begin your prenatal care with us using private insurance, it is expected that you remain with private insurance throughout the pregnancy and postpartum period. This means that changing to Medicaid during pregnancy or postpartum is highly discouraged. If your private insurance is no longer in effect, you need to notify our office immediately. This policy is in place so that we can devote as much time as possible to patient care and provide you with the most affordable and efficient insurance filing possible.

In addition we are not established as a non-obstetric Medicaid provider. This means that non-obstetric care occurring outside of the pregnancy and immediate post-partum period will be provided on a cash pay basis. Examples of this care would include follow up for abnormal pap smears, intrauterine device checks, and implant removals.

Please notify us immediately if these policies present any problem as we want you to receive the highest quality of care in the most affordable and efficient way possible.
